Go Lightly.

EVERYDAY MOBILE PERFORMANCE

So light and slim, you might not even know it's there. About as thin as most cell phones, the 1.4lb (with standard battery)[5] VAIO® Lifestyle PC is a cinch to tote.

Enjoy a full-featured PC experience with Genuine Microsoft® Windows® 7 Home Premium.

The VAIO® Lifestyle PC also features a convenient quick-boot option for super-fast access to the web, email[3], photos and more.

Get the web browsing[3] experience you're used to on this 8"[4] LED backlit 1600x768 resolution ultra-wide display. No side-to-side scrolling necessary.

Designed to be as functional as it is gorgeous, the isolated keyboard design on the VAIO® Lifestyle PC offers a user-friendly touch and feel that makes for easy typing.

A host of color-matching accessories, such as cases and Bluetooth® mice[15], let you extend your fashion to the realm of high tech.

WIRELESS FREEDOM

Your friends, your news, and your entertainment when you need it. The VAIO® Lifestyle PC lets you browse the web in more places with Verizon Wireless Mobile Broadband Built-In, America's largest and most reliable 3G network[16].

Built-in real-time GPS lets you navigate even the most unfamiliar places with ease. No internet connection required[17].

A built-in webcam lets you video chat[12] with friends, family and colleagues practically anywhere you go.

Extend the reach of your VAIO Lifestyle PC with A2DP Bluetooth® technology[15] that's ideal for streaming uncompromised CD-quality stereo music to compatible Bluetooth® technology[15] enabled speakers or headphones.

Your portal to the world, the fashionable VAIO® P Series Lifestyle PC delivers your entertainment and computing in a single go-anywhere design. Features like built-in mobile broadband[16] and real-time GPS [17] functionality tell only a partial story. The bottom line is that this chic little 1.4lb (with standard battery) computing sidekick will make a perfect fit with your life, whether it's for business, pleasure, or both.

Color: Onyx Black
UPC Code: 027242783225

1. GHz denotes microprocessor internal clock speed; other factors may affect application performance. CPU speed will be reduced under certain operating conditions.
2. GB means one billion bytes when referring to hard drive capacity. Accessible capacity may vary. A portion of hard disk space is reserved as a recovery partition.
3. Requires 802.11n compatible access point. Some functionality may require Internet services.
4. Viewable area measured diagonally.
5. Non-metric weights and measures are approximate and may vary.
6. Measured at the narrowest point
7. i.LINK is a trademark of Sony used only to designate that a product contains an IEEE 1394 connector. All products with an i.LINK connector may not communicate with each other.
8. Actual battery life may vary based on product settings, usage patterns and environmental conditions.
9. See actual limited warranty for details. For a copy of Sony's warranty, please visit www.sony.com/pcsupport, call toll-free 888-476-6972 (888-4SONYPC) or write to Sony Electronics, 12451 Gateway Boulevard, Fort Myers, FL 33913.
10. For certain third party software applications, Sony provides first level phone support. Additional telephone support may be available from the applicable 3rd party vendor. Availability and schedule for any such support is determined by the aplicable software vendor.
11. Total Available Graphics Memory refers to the new Windows® 7 classification of graphics memory, which varies depending on the operating condition, version of device driver and system memory size.
12. Broadband Internet service required along with third party services which may require a subscription or other service fee.
13. 60-Day Trial Version of Microsoft® Office 2007 - This trial software will work only for 60 days after you first use it. You will not be able to use the software if you dont activate it as described the first time you use the software. You can activate the software by Internet: Internet service charges may apply. If you want to keep using the software after the 60-day trial period, you must convert to the perpetual version. You can convert online by following the conversion instgructions presented during setup and paying the required fees.
14. Norton Internet Security™ 2009 30-day subscription is pre-installed on your Sony VAIO PC. You need to activate the software for the product to work. You can activate in the Sony VAIO Startup Assistant or by double clicking the Norton Internet Security icon on your desktop. After your 30-days are finished, buy Norton Internet Security to continue to be protected from viruses, hackers and identify theft.
15. Interoperability and compatibility among Bluetooth® devices vary.
16. Broadband Service sold separately. Service activation fee of $35 may apply. Mobile Broadband is available to more than 262 million people in 258 major metro areas in the U.S. Offers and coverage, varying by service, not available everywhere. Network details & coverage maps at vzw.com. ©2009 Verizon Wireless. All company names, trademarks, logos, and copyrights not property of Verizon Wireless are property of their respective owners. All rights reserved.
17. GPS is available in the U.S. and Canada only. Map detail will vary.
18. When available, Sony will provide Onsite/In-Home Service in fulfillment of its limited warranty obligations, with the exception of camera or LCD repair. Any such services are subject to the terms and conditions of the limited warranty. See actual Limited Warranty for details. Onsite/In-Home Service will be provided via third-party technician to be dispatched as needed following phone-based troubleshooting. Some repairs may be accomplished with self repair kits. Onsite/In-Home Service may not be available in all locations.

Computer Interface: For this product,there are a multitude of varying software packages and add-on hardware options. This product is not manufactured to work with any specific software, and Sony does not and cannot make any warranty or representation with respect to the performance of this product with any particular software packages and/or non-Sony add-on hardware options except those mentioned here. Sony hereby disclaims any representations or warranties that this product is compatible with any combination of non-Sony products you may choose to connect to it. While Sony representatives or Sony authorized dealers may be able to assist you and may make recommendations, they are NOT authorized to vary or waive this disclaimer. Purchasers must determine for themselves the suitability and compatibility of the hardware and software in each and every particular instance. Software titles pre-installed on the Sony computer are subject to change without notice. Preinstalled software may not be identical to retail versions or have all documentation. Features and specifications are subject to change without notice. Non-metric weights and measures are approximate and may vary.
